

# Changing Paradigms™

**Media  
Manoeuvre™**

An ISO 9001:2008 Certified Company

STRENGTH • RELIABILITY • INNOVATION • INTEGRATION

**Media Manoeuvre** boasts a story that dates back to 1968. Started with a conventional moulding machine, today Media Manoeuvre has one of the finest plants of injection moulding in India. The company is backed by an excellent Tool Room that takes care of Concept, Design and Mould Making. The roller coaster ride is backed with experience of around five decades, Media Manoeuvre is serving its customers in the injection moulding field. Today Media Manoeuvre enjoys its customer base in India and overseas.

**GO GREEN:**

Media Manoeuvre supports Go Green activities. The use of energy saving machines is a first step towards it. Besides this Media Manoeuvre invests hugely in the automation and weight reduction of the component without disturbing the required functionality.

**QMS:**

QMS is an integral part of Media Manoeuvre's success in the injection moulding field. Today Media Manoeuvre is an ISO 9001:2008 certified company.

**RESPONSIBILITY:**

Media Manoeuvre has a team of skilled professionals who know its responsibilities. The team knows what customers want and what they need to provide to exceed customer's expectations. The ability to take decision at every stage makes the entire team more and more accountable.

**LEAD TIME & SUPPLY:**

Today, Media Manoeuvre promises the shortest lead time for domestic as well as the overseas customers. Serving overseas customers for more than a decade Media Manoeuvre enjoys their share of business on an incremental basis, year on year.

**EXISTENCE:**

Presence of around five decades clearly indicates that we are here to stay for long and perform with excellence.

**COMMITMENT:**

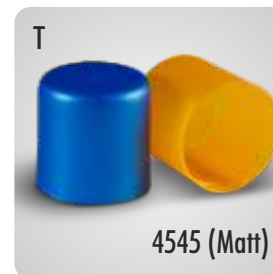

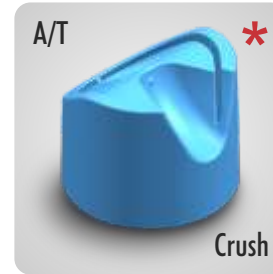

"We listen to our customers". Every year we will come up with new designs, new products to serve our customers at an attractive cost.
